College Classroom Extends 100 Miles

An electronic teaching link between Peterborough and Haliburton Village has been established for the second year by Sir Sandford Fleming College, enabling instructors in Peterborough to carry on lectures and discussions with students over a distance of about 100 miles.

A total of 35 Minden and Haliburton residents are taking interior decorating, social psychology or business management courses offered by the College through VERB, a Bell Canada development officially called Visual Electronic Remote Blackboard.

With the help of a teletype writer and two-way telephones, students see their instructor's illustrations appear on a screen in their classroom, while they carry on two-way conversation as if he were in the room with them.

Each instructor will make about five live presentations at

Haliburton, but most of the 20 sessions in each course will be given remotely.

A fourth course, dealing with landscape gardening, will be offered in January.

The College still looks on the electronic link as experimental, although it was first used last winter when three 10-week College courses were given in Haliburton.

At that time, instructors taught live classes in Peterborough at the same time. Although the series was generally well accepted, the Haliburton students showed a reluctance to participate and felt they were intruding on the time of the live class, according to Fred Anderson, Sir Sandford's Director of Continuing Education.

Mr. Anderson said no live classes at Peterborough are involved in the present series, and classroom participation has increased.

O.W.R.C. Approves Minden Sewage Plant Site

The Ontario Water Resources Commission advised the Clerk of Anson, Hindon and Minden that the Commission is prepared to approve the proposed site located on Parts 1 and 2, Concession A, in the Township of Anson, for the treatment works and will proceed with the further development of the project on this basis.

The O.W.R.C. Hearing, which was held in Minden on November 19, 1971, offered an opportunity for local residents to obtain information on the scope of the proposed project and to receive explanations of the proposed works.

Township officials were generally optimistic that the procedural steps will now be hastened with possible construction in 1972.

Students To Be On 'Reach for the Top'

This Friday, December 10, the residents of Haliburton County will be able to see four students from the Haliburton Highlands Secondary School compete in Canadian Broadcasting Corporation's "Reach for the Top". The members of the Haliburton Highlands Secondary School team are Don Hunter, Debbie Duncan, Bob Arbuthnot and Harold Morgan. This team will compete against students representing the Centre Dufferin Secondary School of Shelburne, Ontario.

The production may be received on CKVR Channel 3, Barrie, at 6:00 p.m. on Friday, December 10.

Harry Elstone Enters Into Rest

We are sorry to report the death of a Haliburton resident, Harry Anthony Elstone, which occurred in Toronto on Wednesday, December 1, 1971. He was in his 63rd year.

The late Mr. Elstone's remains rested at the Funeral Chapel of John Welch and Son in Minden until Saturday, December 4, and thence to St. George's Anglican Church, Haliburton where service was held at 11:00 a.m. Interment was made in the Evergreen Cemetery Vault, Haliburton.

\$1,000 Damage

Roger Bain of Eagle Lake suffered minor injuries when the car he was driving went out of control in West Guilford, struck and knocked down a tree, and went on to become wedged between two other trees. Damage to the vehicle was estimated at \$1,000.

The accident occurred at about 2:00 a.m. on Sunday, and was investigated by Ontario Provincial Police Constable Michael Legge of the Minden Detachment.

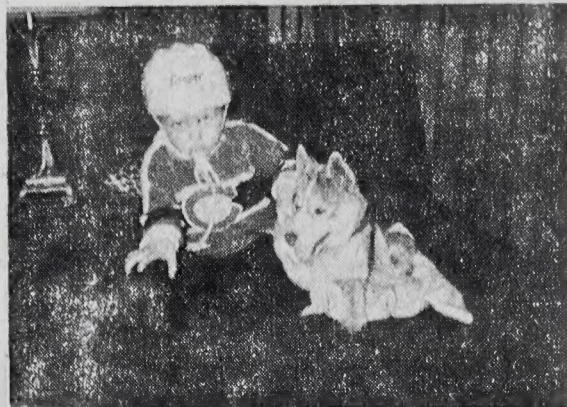

Lucky Winners At Legion Bingo

Two Haliburton County people split the \$500.00 Jackpot at the Royal Canadian Legion Bingo at Haliburton last Wednesday night, December 1. The lucky winners of \$250.00 each were Mrs. Sheila Burke of Haliburton and Mrs. Frances Kemerer of Tory Hill.

NOTICE

Our annual Christmas edition will be published on Thursday, December 23. During the past two weeks we have been soliciting Christmas greeting advertisements for this edition. If you have not been contacted and wish to place a Christmas ad in this paper please telephone the Haliburton County Echo at 457-1037 or contact Creighton Feir.

Haliburton Huskies Announce "Name The Husky" Contest

The Haliburton Huskies Junior 'D' Hockey Club were fortunate in having a purebred Husky dog given to them this fall to be used as a mascot during the hockey season.

The Executive have decided to arrange a contest whereby all students in Haliburton County will have a chance to "Name The Husky" and win an autographed hockey stick signed by all of the Haliburton Huskies hockey team as well as a cash prize of \$10.00. The contest will begin this coming Friday, December 10, and all entries must be in by Wednesday, December 22. The winner of the contest will be announced

at the regular Saturday night hockey game on December 25, and will be presented with the prize at that time. Please send all entries, with your name and address, to: "Haliburton Huskies Junior Hockey Club, Box 203, Haliburton, Ontario".

The Poole family who operate the Haliburton Lake General Store are the interested party who have donated the Husky pup — the family has always been active in community affairs and are also avid hockey fans. They raise and sell the pups at their cottage-home on Haliburton Lake. The pup is pictured in the above photo.

Area Drivers Escape Sleet Storm, Two Sent To Hospital On Weekend

Icy road conditions, brought about by a sleet storm on Sunday night, did not bring the usual rash of accidents in Victoria and Haliburton Counties although even police cruisers were pulled off the road for a time.

From midnight on Sunday to 3:00 a.m. on Monday, Ontario Provincial Police in Minden left their cruisers parked because the roads and highways were in an impossible driving condition.

Ontario Provincial Police in Lindsay reported that some motorists had trouble getting over hills on Highway 7 in the Fowler's Corners area, but all

detachments indicated that the motorists decided to use caution and stay off the roads.

One weekend accident sent two to hospital. Barry Agnew and David Graham, both 16 and both from Gooderham, were admitted to the Ross Memorial Hospital in Lindsay in fair condition and were treated for injuries received after the snowmobile they were riding on collided with a car. Both had leg injuries. Police said they were in collision with a car driven by Gary Kenneth Mintz, also of Gooderham, on the Tamarack Lake Road on Sunday afternoon.

HALIBURTON NEWS LETTER

In speaking with Joe Iles this week, he was telling us that when he was in Vancouver on a vacation just recently he met Major Bill Leslie who is with the Salvation Army Harbour Lights at Vancouver. Major Leslie at one time was here in Haliburton with the Salvation Army Corps.

At the time of going to press we learn of the death of Mr. James Main which occurred at his home at Haliburton on Wednesday, December 8, 1971. The deceased, who was a long time resident here, was in his 98th year.

The Rotary Club of Haliburton announced today its First Annual Festalight Contest. This contest is open to all citizens and businessmen in the Haliburton Village area, and the idea behind it is to enliven and promote the Christmas spirit. Prizes will be given to the Best Outdoor Decoration - Business \$20.00, Private Home \$20.00, and two consolation prizes of \$5.00. Prizes will be awarded at the Haliburton Winter Carnival. The judges will tour the area on Monday, December 20, so have your lights on.

It always happens in December... Christmas trees... decorations... gift wrappings... they all add up to greater home fire danger. This is the time to take the utmost care to make sure that holiday fun will not turn into family tragedy.

The Village of Haliburton is to have a new flower shop to be known as The Parrott's Nest and Flower Shop, with the Grand Opening to be held this coming Saturday, December 11. The busi-

ness will be located on the side of the Bowes & Cocks building opposite Curry Motors.

We have just been informed that an outstanding Exhibition Hockey Game has been lined up for the Haliburton Arena sometime in January. We will have more details later on the two teams that will be in action.

Fire Destroys Area Home

Fire completely destroyed the home of Mr. and Mrs. Donald Thompson and their three children on Tuesday afternoon. The Haliburton Fire Department were called to the scene at 1:00 o'clock — the home is located near Gilmores' Corners, approximately five miles from Haliburton.

The house was burned to the ground, and the Thompson family lost all of their possessions.

Walter C. Kellett Called By Death

The Village of Haliburton lost one of its oldest and most respected citizens when Walter C. Kellett passed on to a greater reward on Monday, December 6, 1971. The deceased, who was in his 81st year, was the beloved husband of Hilda Little.

The remains of the late Mr. Kellett rested at his late residence in Haliburton until Wednesday, December 8, when the funeral service was held at the Haliburton United Church at 2:30 p.m. Interment was made in the Evergreen Cemetery Vault, Haliburton.

Christmas Drama To Be Staged

The Choirs of St. George's Anglican Church, Haliburton, together with other interested young people of the area, are busily preparing for a dramatic and musical presentation of the traditional Christmas story entitled "The Birth of Jesus". The text and music of this colourful pageant is taken from Holy Scripture, a 12th century "miracle play", modern literature, and ancient and modern carols of many lands, and has been arranged by the organist and choirmaster, Mr. Bill Gliddon.

Several ladies of the church, under the leadership of Mrs. Dorothy Thayer, have very capably managed the costumes for the acting cast. Some of the costumes, including those for King Herod, the Wise Men and their page-boys, have been designed and created by Miss

Wendy Schofield, who also made the costumes for "The Mikado" (the Haliburton Highlands Secondary School Glee Club production of last year).

Since St. George's will only seat a comparatively small congregation, the cast have agreed to present "The Birth of Jesus" on two nights — Sunday, December 19, and Monday, December 20, at 7:30 p.m. each night. One hundred free seating tickets have been printed for each night, and these may be obtained from Varty's Jewellery Store. Ticket holders will be assured of a seat if they are in the church by 7:20 p.m. All the Sunday, December 19, tickets are already gone, but Monday, December 20, tickets are still available. There will also be room for a limited number of non-ticket-holders after 7:20 p.m. each night.

Conservation Officers Part-Time Dentists

Wildlife Biologist A. J. Stewart of the Lindsay District of the Ontario Department of Lands and Forests stated that each deer season conservation officers become part-time dentists and spend a lot of time looking at deer teeth. The age of a deer can be determined by looking at the tooth wear patterns. Often hunters ask why it is being done and what is the significance of doing it.

Deer age information is used to determine the age structure, reproductive success and general condition of a deer herd. For instance, let us look at the age data collected during this past deer hunt compared to last fall's hunt, said Mr. Stewart. Yearlings or one-and-a-half year old deer made up 25 per cent of the total deer shot while last fall they made up 38 per cent of the deer shot. This shows quite a decrease in yearlings this fall. Remembering that deer which are one-and-a-half this year were fawns last winter, it appears as if a large percentage of fawns did not make it through the winter. The total number of two-and-a-half year old deer was nine per cent of the kill while last fall it was 19 per cent. Another large decrease

this year. Remember again that two-and-a-half year old animals this fall were only yearlings last winter. It then appears as if yearlings also suffered significant losses during the winter. Fawns made up 28 per cent of the total kill compared to 29 per cent last fall. Once again a decrease is evident, indicating that fewer fawns were born this spring.

If we look at data from specific areas in the district some more interesting facts show up. In the Apsley area 22 per cent of the deer shot were fawns while in the Haliburton area 30 per cent of the deer shot were fawns. Obviously does had more fawns in the Haliburton area this spring than in the Apsley area. The higher reproductive success in the north is probably due to the Department's very extensive winter range work in that area. Low reproductive success in the Apsley area can be blamed on the lack of adequate food during the winter.

These are a few of the facts disclosed by aging deer, he said. A hunter is making a definite contribution to deer management in the Lindsay District when an officer ages his deer.

Minor Hockey Meetings Held And Schedules Released

NOVICE

Moved by Starr, seconded by Argue, that the Novice group play a single schedule. Carried.

Moved by Brodie, seconded by Bryant, that the home team supply the cards approved referee with the visiting team supplying the other official. Carried.

Moved by Argue, seconded by Jenkins, that all playoffs be completed within the group before advancing to any other grouping. Carried.

Moved by Brodie, seconded by Jenkins, in case of a tie of teams at the end of group schedule the teams concerned will play a home and home series, total goals to decide a winner. Carried. Above motion ruled out of order - Gord Hawes. If two or more teams of the same classification are tied in the standings at the end of the group schedule goal average for and against of the teams concerned will declare the final standing.

* - The following pertains to all four groups of Minor Hockey that appear above -

All teams advised player's signed certificate, along with proof of age, must be in the possession of the Executive member before a player may take part in any game.

Teams shall not play exhibition etc. games without first receiving the permission of the Convenor; also game report cards must be completed for exhibition games. The home team manager must mail the game report card to the convenor immediately following a game. Failure to mail the game report card will result in the refusal of permission to play future exhibition games being granted.

THIS WEEK - BOBCAYGEON

Haliburton Huskies Settle For A Split In Games After Weekend Action

The Haliburton Huskies lost a chance to stay in the number one position in the O.H.A. Central Ontario Junior 'D' Hockey League when they lost to the Lakefield club here in Haliburton on Saturday night. The Huskies were fresh from a 6-5 win over Fenelon Falls on Thursday night, but had to settle for a 4-1 loss to the visiting Lakefield team, therefore relinquishing the lead that they had been in. The Lakefield entry has a well balanced attack as well as a steady goaltender and some fast skating defence players. The Huskies seemed to be a little overconfident early in the game and as a result lost some good scoring opportunities that could have made the difference in the outlook of the game. The Huskies, in the encounter with Fenelon Falls, jumped into a 6-2 second period lead but ran into a rash of penalties and by the 10:00 minute mark of the third period the Fenelon Falls club had rallied to a 6-5 position. The Haliburton Huskies managed to hang on and win the game, but the last few minutes were certainly exciting.

Gerry McElwain was the big gun for the Haliburton squad at Fenelon Falls as he scored his second hat-trick in as many games in the first period. Roger Bain also scored, as the Huskies' defence limited Fenelon Falls to only one goal. Bob Woodcock, who is generally a mild tempered player, was ejected from the game after he was enticed into two fights during the opening stanza - Bob is certainly a valuable player to the Huskies and he was missed during the rest of the contest. The Huskies' lead was increased to 6-2 as John

Parish and Ed McCallum netted markers. The Fenelon club came back strong in the third frame and almost tied the game on several occasions before time finally ran out.

The Huskies lost their first league game before their hometown fans in two years on Saturday night, as the Lakefield club was certainly up for the game and played an outstanding brand of fast hard checking hockey. The Haliburton team missed some good opportunities as Bob Woodcock missed on a break-away and could have given the locals a good lead. Heffernan opened the scoring for Lakefield at 11:45 mark on a two-man passing play, and it remained at that score until Lakefield increased their lead to 3-0 in the second period before John Parish scored on a rink long rush that gave the Huskies some spark. The Lakefield club then responded with their fourth goal of the contest to end the scoring in the game. The Haliburton players pressed hard in the final twenty minutes but to no avail. The league honours still seems to be between Lakefield and the Haliburton Huskies, and the local boys are looking forward to their next match as they certainly will not underestimate the strength of the Lakefield club again.

The Haliburton Huskies play Bancroft in Wilberforce on Friday night, and then the Huskies' old arch rivals, the Bobcaygeon Ti-Cats, will be in town on Saturday night.

Advised Re Structural Adequacy Of Municipal Buildings

The Ontario Department of Labour recently advised the Clerks of all municipalities in Ontario that:

As winter approaches, municipal officials throughout Ontario should be concerned about the structural adequacy of municipal arenas and other buildings in their community to withstand snow load accumulations on roofs.

Disaster can be so sudden. The collapse of the arena roof at Listowel in February 1959 with the loss of eight lives is a grim story that must not be repeated. In the past few years, there have been reports of other roofs that have collapsed fortunately without the loss of life.

The Safety and Technical Division of the Ontario Department of Labour urges all municipal officials to assure that arenas and other buildings are carefully checked by qualified professional engineers, and to assure that the structures meet safety requirements of the National Building Code of Canada.

Structural engineers are aware of the dangers created by heavy snow accumulations on roofs and have knowledge of areas of heavy snowfall. Safety engineers also stress the need for proper erection and proper maintenance. Buildings which have withstood heavy snow loads in the past may have suffered deterioration due to unsatisfactory maintenance.

Last year, the snowfall in many areas of Ontario reached near-record heights. Some examples of the snowfall were: Glen Gordon near Ottawa 218 inches, Timmins 161 inches, Muskoka Airport 125 inches, Wlarton 131 inches, London 115 inches and North Bay 118 inches.

Other factors must also be taken into consideration. New buildings adjacent to the structure could considerably change the snow load patterns. It should be noted that the depth of snow on the ground is not a reliable indicator of snow depth on the roof of a building. The amount and distribution of the snow load that accumulates on roofs depends on several factors:

geographical location, wind exposure of roof, and shape and type of roof.

Variations of climate in Ontario produce a wide variation in snow load conditions. Snowfall in some areas of the province is among the heaviest in the country with a seasonal high of up to 100 pounds per square foot.

The Association of Professional Engineers of Ontario suggests that inspection of arenas be carried out by a professional qualified person who is capable of establishing the structural efficiency or safety of the arena in its present condition and use. Registered professional engineers are to be found in most communities, but if assistance in locating suitably qualified engineers is required, the Association will provide a number of names of individuals within a reasonable distance of your community who may be contacted.

Help Requested To Prevent Sale Of Prem Canned Meat

The Food and Drug Directorate of the Department of National Health and Welfare and the Ontario Department of Health have requested the assistance of the Haliburton, Kawartha, Pine Ridge District Health Unit in helping to prevent the sale of Prem, a canned meat product of Swift Canadian, in the Code Series E.152 to E.246 inclusive. Codes not in this series may be sold, or used if in homes. The series number is on the top of the can.

No sickness has been reported, but designated batches are believed to be underprocessed.

Checks of some stores by the Public Health Inspection staff have shown cans of these lot numbers still on the shelves. The Health Unit asks store managers and the public to check their stocks, and remove all cans in this series, E.152 to E.246 inclusive. It is suggested that persons having cans in this series return them to the stores where they were purchased.

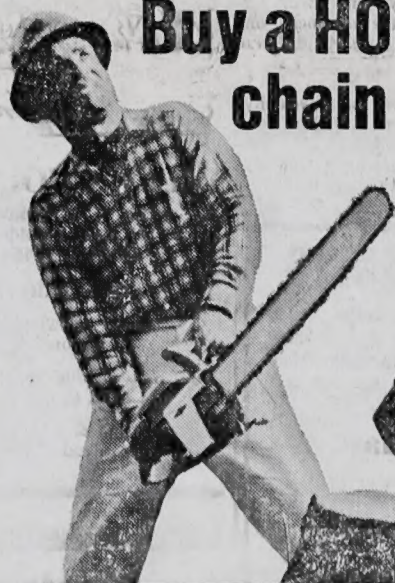

Contract Tenders To Be Called

R. Glen Hodgson, M.P.P. for Victoria-Haliburton, stated that tenders were to be called this week for the following contract: Contract No. 71-188 - grading, drainage, granular base and paving on Highway 7, Hamlet of Oakwood, from County Road 6 westerly 0.4 miles, including storm sewer connection to the Oakwood Drain. This contract is in the Port Hope District, D.T.C. W.P. No. 915-71-01.

BILL FINDS OUT ABOUT A RIP-OFF

Do you have difficulty in communicating with young people? Don't worry. We all do.

I have two of my own, and I teach the critters every day, in drives, and I have trouble.

I've come to the conclusion that it's not our fault, it's theirs. We just can't keep up with their ever-changing slang.

For years I thought a hang-up was something I'd had during the war. It was what we called the rather delicate situation created when one of your bombs was caught by the tail and, hanging nose-down, fused, refused to drop.

I had to land with one of these babies dangling there, one day. One bounce on landing and the aircraft and yours truly went to glory. As you can see, I landed like a feather on a snowbank, but it was a little disconcerting to see everyone on the air-strip flat on his face as I was coming in.

Now I realize that I had two hang-ups that day. There was the physical one of the bomb. And there was the mental one: I had sort of a hang-up about being blown up.

Now, of course, "hang-up" is almost old hat in younger circles. It means anything from an obsession to a minor worry. You can be hung-up on the other sex, on drugs, on school work.

Another term that is enjoying quite a vogue these days is "rip-off". Basically, it means stealing, but there are milder forms. It can also mean talking somebody out of something you want, conning somebody into taking something he doesn't want, not providing something you've promised, and so on.

My daughter Kim was home from college last week. She was supposed to come home for the weekend, but it was so pleasant at home, and the food was so good, and she enjoyed being spoiled so much that she stayed the whole week.

I observed her manoeuvres as she prepared to return, and thought I was seeing a real rip-off artist at work.

It went something like this.

"Oh, Mom, is that ever a smart blouse! Could I try it on?" Momma, with resignation, "O.K., but you're not getting it. That's the only decent thing I have to wear." Kim, brightly, "Oh, I don't need it; I have those crumby old T-shirts that you hate so much. But it really fits me, doesn't it?"

And so on. I don't think I need to elaborate. She got the blouse, our teapot, my typewriter, various pots and pans, the only deodorant in the house and about 64 other items, too miscellaneous to list.

The Old Lady finally balked when Kim tried on a fur jacket and started swanking around in front of the mirror, cooing, "This really does something for me, doesn't it, Mom?" Her mother stood her ground and said, in effect, you get your rotten hands off that jacket.

Well, as I said, I thought Kim was an artist at ripping off. I changed my mind when we took her to the city and saw the apartment she and another girl had rented in the fall. Kim is a rank amateur, a babe-in-the-woods, compared to city landlords. The apartment is on the fringe of a slum area.

In September, she told us glowingly that the apartment was "really neat". It had a new stove and fridge. There were three bedrooms, kitchen, dining room and living room and bathroom, all for \$145 a month. It was unfurnished, of course. Sounded pretty good.

The "new" stove has an oven that does not work. The "new" fridge might fetch twelve dollars at a rummage sale and the handle is falling off.

The kitchen is like something out of Dickens. The bedrooms are boxes, only one with a window. There are no locks on the doors. The toilet doesn't work, except when it feels like it. Etc.

Rip-off. I'll never be a wealthy old school-teacher. But I'm certainly going to look into the prospects of becoming a wealthy old slum landlord.

RELIEF FROM SIN AND DEATH

Jesus knew that his coming to earth as a man was a direct part of God's arrangement for releasing humankind from sin and death. So he said, "The son of man came, not to be ministered to, but to minister and to give his soul a ransom in exchange for many." — Matthew 20:28. Exactly what does that mean? Well, a ransom is the price paid to obtain deliverance from captivity. In this case, Jesus' perfect human life offered in sacrifice was the price paid to obtain mankind's release from bondage to sin and death (I Peter 1:18,19). But why was such a release needed?

This was because Adam, the forefather of us all, had sinned against God. Thus Adam became imperfect and lost the right to life. As a wilful violator of God's law, he came under its penalty of death. God had also established laws of heredity, which assure that we all receive physical characteristics and other traits from our parents. According to these laws, Adam could pass on to his offspring only what he himself had; so we received from him an inheritance of sin and death (Romans 5:12). All mankind therefore has been dying in payment of the penalty of sin. How could this death penalty be lifted and the requirements of justice still be met?

The living soul Adam, who forfeited life for mankind, was a perfect human. In exchange for what he lost, another human soul, equal to Adam, was needed; one who would offer his own perfect life as a sacrifice on behalf of mankind (I Cor. 15:45). No offspring of Adam qualified for this, because all were born imperfect. As a result they all die because they are sinners, and they have no right to human life that they can sacrifice on behalf of others (Psalm 49:7). So God sent his own son to earth. Jesus was born as a human, because it was a human life that was required. But he was born without the aid of a human father, so that he would be perfect as Adam was. God alone was the father of the human Jesus, as he had also been Adam's father. Thus Jesus was fully qualified to offer his life as "a corresponding ransom" — I Timothy 2:6.

On Nisan 14 of the year 33 C.E. Jesus' enemies put him to death on a torture stake. He could have resisted, but he did not (Matt. 26:53,54). He willingly laid down his life in sacrifice for us. As his apostle Peter tells us, "He himself bore our sins in his own body upon the stake, in order that we might be done with sins and live to righteousness. And by his stripes you were healed" — I Peter 2:24.

That was indeed a marvelous expression of love that Jehovah showed for mankind. The Bible helps us to appreciate it, saying, "God loved the world so much that he gave his only begotten son, in order that everyone exercising faith in him might not be destroyed but have everlasting life" — John 3:16.

Jehovah God did not leave his Son dead in the grave, but raised him to life on the third day. He was not given human life again, because that would have meant that he was taking back the ransom price. But he was "made alive in the spirit" — I Peter 3:18. During a period of forty days after his resurrection he appeared visibly to his disciples a number of times, in materialized bodies to prove that he had really been raised from the dead. Then with the disciples looking on he ascended heavenward and was caught out of sight in a cloud. He returned to heaven, there "to appear before the person of God for us" bearing the value of his ransom sacrifice (Hebrews 9:12,24). The requirements of divine justice had been met; relief was now available for mankind.

Even now we may benefit greatly from the ransom. By exercising faith in it we can enjoy a clean standing before Jehovah and come under his loving care (Rev. 7:9,10). When due to imperfection, we commit a sin, we can freely seek forgiveness from Jehovah on the basis of the ransom, with confidence that he will hear us (I John 2:1,2). Furthermore, the ransom has opened up the way for preservation through the end of this present wicked system of things.

IS THE TRUTH TRANSFORMING YOUR LIFE?

During the week, Mr. S. E. Kilner, a representative of the Watch Tower Society, will be visiting with the HALIBURTON CONGREGATION OF JEHOVAH'S WITNESSES. He will spend many hours calling on the homes of the residents of the area discussing with them as to whether the Bible is practical for our day. On Sunday morning at 9:45 his visit will be climaxed by the special public address entitled "Is The Truth Transforming Your Life?" All interested persons are welcome and invited to attend.

Minden News

It may be of interest to anyone who was watching CFTO Channel 9, Toronto, on Sunday, November 21, from 9:00 to 10:00 p.m. that the film that was presented were pictures taken at the Oak Ridges Hospital in Penetanguishene, and depicted discussions among the patients and staff. A former Minden student, Foster Loucks, was one of the staff shown — he has been employed there for the past fifteen months. Oak Ridges was formerly known as the Hospital for the Criminally Insane.

Sincere sympathy to the family and friends of the late Mr. Harry Elstone, whose funeral was late last week.

Open House was the order of the day last week at Stedmans and the Minden Furniture Shop in Minden, when people could enjoy a coffee and browse around looking for gifts one might like to buy.

There was a lucky lady at the Minden Rotary Bingo last Thursday when Mrs. Harold Alton of Cobocook won the Jackpot of \$250.00 — she was really lucky, as we heard there were 164 people there.

Winners at the L.O.B.A. Card Party held last Monday were: euchre - Bill Hounsell and Mamie Kellar, Mae McArthur and Charles Stevens; cribbage - Peggy Brown. After the games all those in attendance enjoyed the delicious lunch and cup of tea served by the ladies.

Another couple are welcomed to the village in Mary and John Klim, who are in their new home on the hillside near the doctor's office.

Patients at the local Red Cross Hospital here early this week were Mrs. Elsie Harrison, Mrs. Kirsten Stange, and baby Jason Stoughton. New babies were a baby boy for Mrs. Joanne Bounsell and a baby girl for Mrs. Dave Henderson.

The Catholic Womens League had a good crowd at their Bazaar-Tea last Saturday on the main street, with Sherry Walker being the lucky winner of the doll with its clothes and Janice Tye won the crocheted poncho.

Several persons have had very serious falls, with Mrs. Walter Welch having suffered a broken bone in her ankle and Mr. Russell Lewis being in the Ross Memorial Hospital in Lindsay after suffering a broken hip.

At the Mini Card Party held last Thursday afternoon winners for euchre were Carm Kellar and Joanne Beattie while winners for cribbage were Isobel Bingham and Peggy Brown.

Mr. Charles Hyde leaves this community next week as he is being transferred to the Barrie Branch of the Canadian Imperial Bank of Commerce.

There has been a change of date and time for the Minden Women's Institute Christmas Party; the new date being Friday, December 17, at 8:00 p.m. at the Orange Hall.

Congratulations to Mrs. Sylvia Brooks (nee Harrison) who is now a teacher for the North York Board of Education in Toronto. She obtained her B.A. degree at the University of Toronto's Fall Convocation.

Mr. Amos Miscio spent some time in Hamilton visiting with his family.

Randy and Verne Harrison of Peterborough were weekend visitors with Mr. and Mrs. Bert Harrison.

Miss Wendy Gorrie was home for the weekend with her parents and Don Jones of Markham was also a guest.

Barbara and Lloyd Maschke of Oshawa visited with Barbara's parents, Mr. and Mrs. Syd Barnes.

Mrs. Packard, Mrs. Wallace and Mrs. Jim Fairfield are all home from hospital, and we are glad to report that they are all doing nicely.

Mrs. Pounds and her granddaughter spent some time with Mrs. Stutt on the weekend.

Mr. and Mrs. Sinclair Russell were in Peterborough last week to attend ordination service for Doug Brown. The Browns are summer residents here.

OBITUARY**WILLIAM W. EASTMAN**

Mr. William W. Eastman passed away on Monday, November 22, 1971, at the Hyland Crest Senior Citizens' Home in Minden. He was in his 83rd year.

He was born in Snowdon Township, and had lost his eyesight when he was injured in an explosion in 1911. After some time spent in Toronto, he returned in 1945 to Ingoldsby where he resided.

The late Mr. Eastman was the beloved husband of Isabelle Rutherford, and is also survived by one son, Douglas. He also leaves to mourn six grandchildren and a brother, Elmer, in Florida. His sister Effie (Mrs. Ed Harrison) and infants Elizabeth and James predeceased him.

The funeral service was from the John Welch and Son Funeral Home in Minden on Thursday,

November 25, with interment at the Ingoldsby Cemetery.

Pallbearers were Jack Francis, Bert Harrison, Percy Burk, Norm Harrison, Ted Carpenter and Robert Peacock.

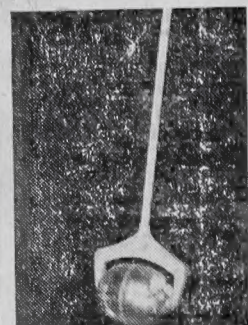

Tuberculosis

Canada has one of the best records in the world in containing Tuberculosis, but other countries are not so fortunate. In Hong Kong, which has a population of 4 million, there were 11,000 new TB cases last year. Compare this with the Province of Ontario where, with a population of 7 million, there were 1,100 new cases.

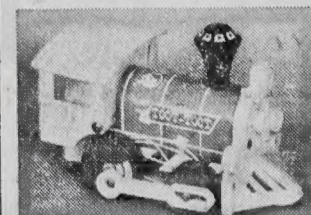

Christmas Seal funds help support international programmes to prevent, detect and eliminate TB. There's more to do. Please answer your Christmas Seal letter today.

CARD of THANKS

I would like to take this opportunity to thank my many friends, relatives and neighbours for their visits, cards and phone calls during my stay in the Ross Memorial Hospital in Lindsay; and also special thanks to Dr. Watson, Dr. Service and Nurses. Mrs. E. Bert Harrison.

I would like to take this opportunity to express my sincere thanks to the many relatives and friends for their cards, letters, flowers, gifts and visits during my stay in St. Joseph's Hospital, Peterborough. Many thanks to Dr. Koval, Dr. May, Dr. R. L. Smith, Dr. Theil, Sister St. Ida, and Father Vanstone and Staff. A very extra special thanks to a wonderful husband and six sons. Gloria Nimigon.

We wish to extend our sincere thanks to everyone who came to our side at the time of a dear husband's and father's death. We will always remember the acts of kindness shown to us by the Rector and congregation of St. George's Church, Rex Boice and his staff, the many truck drivers that he knew, the Haliburton Huskies, our neighbours and everyone in the community. Evaline, Paul and Dan Carpenter.

We would like to express our sincere thanks to our friends, neighbours and relatives for their thoughtfulness and the kindness shown during our recent bereavement. A special thanks to the Nurses and Staff at the Hyland Crest Home, and also Reverend J. Smith and the John Welch and Son Funeral Home staff.

Mrs. W. Eastman,
Douglas and Family.

We would like to express our sincere thanks to Reverend Frank Ford the John Welch and Son Funeral Directors, the Anglican Church Women of Haliburton, for cards received and expressions of sympathy on the loss of a loving son and brother.

Mrs. Rizpah Elstone
and Family.

We would like to thank all our friends and neighbours, with a special thanks to Dr. Brian Good, the Nurses at Haliburton Hospital and the Ambulance attendants for making our moments of happiness so very full and easing our time of sorrow. Haliburton County is very fortunate to have you all. Thank you from the depths of our hearts. Max and Roberta Walsh.

IN MEMORIAM

FRANCIS - In loving memory of a dear husband and father, who passed away on December 11, 1968.

Asleep in God's beautiful garden, Sheltered from sorrow and pain, Safe in God's wonderful keeping Until we shall meet again.

—Sadly missed and ever remembered by his wife Marjorie.

FRANCIS - In loving memory of a dear father and grandfather, Edward, who passed away on December 11, 1968.

Three sad and lonely years have passed Since our great sorrow fell, The shock that we received that day

No one can ever tell; God gave us courage to meet it And strength to bear the blow, And what it meant to lose you, Dad.

No one will ever know; It's lonely here without you, We miss you more each day, For life is not the same to us Since you were called away; Your memory is our keepsake, With which we'll never part, God has you in His keeping, We have you in our hearts.

—Lovingly remembered by son John, Rhonda and grandson Teddy.

MacDONALD - In loving memory of a dear husband and father, Wesley MacDonald, who passed away on December 12, 1962.

He suffered patiently and long, His hope was bright, his faith was strong, The peace of Jesus filled his breast

And in his arms he sank to rest. —Sadly missed by his wife Ethel and son William MacDonald.

IN MEMORIAM

MacDONALD - In loving memory of a dear father and grandfather, Wesley MacDonald, who passed away on December 12, 1962.

Softly the leaves of memory fall, Gently we gather them and treasure them all; Unseen, unheard, he is always near, Still loved, still missed, and very dear.

—Sadly missed by daughter Ollie, son-in-law Percy and grandson Peter Lymburner.

SCOTT - In loving memory of a dear mother, Ruth Ann Scott, who passed away on December 8, 1967.

I often sit and think of you And wonder why you died, To think I could not say goodbye Before you closed your eyes; It broke my heart to see you go, You did not go alone, For part of me went with you, Mum,

The day God called you home. —Sadly missed by daughter Dorothy and Family.

Minden W.I. Hold November Meeting

The Minden Women's Institute met at the home of Mrs. D. McClelland with an attendance of over 22 attending the November meeting.

The President, Mrs. P. Clarke, opened the meeting by welcoming the visitors and the guest speaker, Mrs. Rawlins.

Mrs. V. Cowen gave her report of the District Directors' Meeting held at Fenelon Falls, and she informed the members that the District Annual will be held at Bury's Green on May 25, 1972.

Mrs. F. Buttmore gave a very interesting and informative report of the Area Convention that took place at the Royal York Hotel in Toronto during the first week of November.

Mrs. Wallace Walker then spoke on "Canadian Industries", and told the gathering of how Ontario manufactures about one-half of Canada's goods and many great plants from Niagara Falls to Oshawa would be left empty shells if it were not for the continuous flow of raw material from the Canadian Shield far north of Ontario. She explained how our mines came into being, and the products they produce — minerals from salt to silver, from talc to tungsten, from iron to exotic palladium — all help to a large degree towards Ontario's continuing prosperity.

Mrs. Rawlins explained to the ladies about the club which is being formed. Now, you don't have to consider yourself an older citizen to belong — if you are about 60 or so, why don't you come out to a meeting and see how much fun they will be having. Just think, card games, pool and all sorts of fun frolics — just think of the fun you could have and even meeting your friends from all over the county and having a good chat or gossip. Oh yes, it is all for you older people in Haliburton County. Maybe they will let some of those who are fiftyish come once in a while, for Mrs. Rawlins' interesting talk made everyone envious. You can also visit with your friends at the Hyland Crest Senior Citizens' Home if you wish. The Hyland Crest Home is making the facilities there available to you but that is all, as the club is on its own and is entirely separate from the Home's activities. So get in touch with Mrs. Rawlins or watch the papers for the next meeting, and come and see for yourself. Mrs. Clarke then thanked Mrs. Rawlins for her talk.

Mrs. Harry Welch was wished a pleasant winter as she was heading down to the sunny south for a visit with her son Gerald in Florida. All the other ladies who will be heading south later this year were also wished a happy holiday, and they were all asked to remember the others who will be wading snow while they basked in the sunshine.

A number of the W.I. members are having card parties in their homes and are donating the proceeds to the Women's Institute.

The draw was won by Mrs. Locke, and after the President closed the meeting a very delicious luncheon was served by the hostess who forgot that the W.I. members were trying to watch their waistline, and so did those present, with the result that some of them jogged home.

The Christmas Party will be in the Orange Hall on Wednesday, December 15, in the evening at 7:30.

HALIBURTON COUNTY BOARD OF EDUCATION TENDERS

Sealed tenders will be received by the undersigned until December 13, 1971, to SUPPLY A BUS AND DRAW SCHOOL CHILDREN from Eagle Lake via West Guilford to Haliburton Village schools. This route will commence on September 1, 1972. A 72-passenger school bus is required and it must meet all safety and mechanical fitness requirements according to the Department of Transportation and Communications regulations.

Please mark "Bus Tender" on the envelope.

Address tenders to:

THE HALIBURTON COUNTY BOARD OF EDUCATION,
Mr. James G. Leworthy, Business Administrator,
Box 507, Haliburton, Ontario.

The lowest or any tender will not necessarily be accepted.

HALIBURTON COUNTY BOARD OF EDUCATION TENDERS

Tenders will be received by the undersigned until December 13, 1971, for NO. 2 GRADE FUEL OIL for the year 1972 for all the Elementary and Secondary Schools in the County of Haliburton. Further information and location of the schools can be obtained from the Board Office. Oil preferred to be delivered out of school hours for safety reasons, and must be on an automatic delivery policy. Metered slips must be attached to invoices and sent to the Board Office for payment.

The lowest or any tender will not necessarily be accepted. Please mark "Oil Tender" on the envelope.

Address to: THE HALIBURTON COUNTY BOARD OF EDUCATION, Mr. James G. Leworthy, Business Administrator, Box 507, Haliburton, Ontario.

Gooderham News

(Intended for Last Week)

Word was received of the passing of Mr. and Mrs. Preston Scott's daughter Sharie. Our sympathy is extended.

Mrs. Myra Stoughton and Mrs. O. W. Hunter were visitors in Lindsay on Tuesday.

Mr. and Mrs. Ted Engles and family of Oshawa visited with Mr. and Mrs. Thomas McColl on the weekend.

We are sorry to report that Mrs. Dallyn Pickens is on the sick list.

Mrs. Grace Billings was a visitor in Lindsay on Tuesday.

We were sorry about the passing away of Mr. Dougal Morrison, who was buried on Wednesday.

Mr. Gordon Madill has been very ill since the hunting season. Hurry and get well, Gordon.

Mrs. Elva Bates and Patsy and Doug, and also Mr. and Mrs. Glen Billings and Danny, were visitors in Peterborough on Saturday.

Mr. and Mrs. Robert Madill and family of Selkirk visited with Mrs. Violet Billings and also Mr. and Mrs. Walter Madill.

Mr. and Mrs. Glen Bird and Deanna and Lisa, and also Mrs. Grace Billings, visited with Mrs. Verna Hartin of Omeme on Saturday.

Maple Lake News

(Intended for Last Week)

Mrs. Mabel Bacon held a Tupperware Party last week.

Mr. Reginald Cook is in the Sunnybrook Hospital in Toronto, undergoing surgery. We wish him a speedy recovery.

Mr. and Mrs. Hedley Burden are in Toronto for medical appointments this week.

Mrs. Carrie Morrison is now home after spending two weeks with the Cecil Morrisons in Bowmanville.

Mr. and Mrs. Bryan Prentice and Dawn and Kim spent the weekend with the Fred Prentices.

A number of our middle age group are getting together one evening a week in each other's home and are enjoying an evening of six-handed euchre. More fun, folks.

"Old Man Winter" has set in, as we have snow and colder temperatures.

How many saw "Smiley" on television on Monday night — more programmes of this nature would be appreciated.

Haliburton News

(Intended for Last Week)

Patients at the Red Cross Hospital in Haliburton included Mr. Albert Bryans, Mrs. Margaret McKnight and Mrs. Rowena Burk, all of Haliburton; Mr. Fred Haas of R.R. 1, Haliburton; Mr. Amos Hawley of Harcourt; Mrs. Lena Toye of Carnarvon; and Mrs. Len Henderson of Minden.

INTERLOCK SEPTIC TANKS

Patent Pending

Now with improved Interlock and $\frac{1}{2}$ " and $\frac{3}{4}$ " Reinforcing and Vibro-Prest Concrete, better tanks in the long term, as other tanks.

Tanks can be increased to bigger sizes in years to come as your business grows, or your family, by adding sections to it.

We fit any requirement, on any Tanks from 200 Gallon to 12,000 Gallon and more — big tanks have center supports for lids, location, without the use of cranes or heavy equipment.

We can supply and install single, double or multiple Baffel Tanks, Cess-Pools, etc.

Township Of Cardiff Council Minutes

The Regular Meeting of the Municipal Council of the Township of Cardiff was held on December 2, 1971, with all the members being present.

Moved by Ruthven, seconded by Ross, a motion that the minutes of the last regular meeting of the Council held on November 3, 1971, be adopted as read. Carried.

Moved by Ruthven, seconded by Peel, be it resolved that the

Council of the Township of Cardiff hereby give notice of their decision that the former portion of the old Irondale-Bancroft and Ottawa Railway property located in Concession 22 and now registered as Township of Cardiff property shall remain as such. This portion extending from the Highway No. 648 road boundary in a northeasterly direction to Harcourt and Cardiff Township boundary is not a township road in the Township of Cardiff. Carried.

Moved by Peters, seconded by Ruthven, a motion that the Council of the Township of Cardiff donate \$10.00 to the North Hastings Secondary School Year Book advertising. Carried.

Moved by Peel, seconded by Ross, a motion is made by the Council of the Township of Cardiff that Joseph Swan of Highland Grove be appointed to replace electric light bulbs in the Highland Grove street lights as required; fee to be \$1.50 per bulb installation. Carried.

Moved by Ruthven, seconded by Ross, a motion that the Council of the Township of Cardiff approve the purchase of a two-wheel trailer from Edward Peters in Toronto and that \$50.00 be forwarded for payment of same; trailer to be used for fire-fighting purposes. Carried.

Moved by Peel, seconded by Ruthven, a motion that the Council of the Township of Cardiff authorize Wm. James Ross of Wilberforce, Ontario, to purchase 50 stacking chairs for the Cardiff Recreational Centre in Highland Grove. Carried.

Moved by Peters, seconded by Peel, a motion that the Clerk receive the correspondence and items of business discussed, approved and finalize as required. Carried.

Moved by Ross, seconded by Ruthven, a motion that the following accounts for the month of November 1971 be paid: Municipal Voucher No. 11 in the amount of \$1,246.74 and Road Voucher No. 11 in the amount of \$4,093.62. Carried.

Moved by Peters, seconded by Ross, a motion that the Council of the Township of Cardiff authorize a donation toward the New Arena Fund in the Village of Bancroft in the amount of \$50.00. Carried.

Moved by Peel, seconded by Ross, a motion that we adjourn this regular meeting and meet again on the 7th day of January, 1972, or by call of the Reeve; meeting to be held at 1:00 p.m. in the Municipal Office on the McGillivray Road. Carried.

UNCLE DUDLEY'S COLUMN

For some weeks now, Violet and I have tried to make a day at the Hyland Crest Senior Citizens' Home, but some weeks we do not make it.

However, on the evening of Friday, November 12th, we accompanied our good friends Mr. and Mrs. C. H. Irwin to a very fine evening of music and still pictures put on by Mr. and Mrs. Oliver Binks. These good folks had driven in from Gravenhurst area to give entertainment to the folk at the Home, and a very fine programme was given. Mrs. Binks sang many of the old familiar hymns and folk songs, some of the time being accompanied by Oliver on his beloved mouth organ — a fine programme indeed. This was accompanied throughout the evening by some very fine pictures of the Haliburton and Muskoka areas in colour.

I am informed that the fine group of ladies who support this volunteer auxiliary service are finding it rather difficult to keep up the pace — too many Chiefs and not enough Indians probably.

This is a fine Home, well staffed and managed, and is a credit to any community. However, regardless of how well the personnel of the Home function,

there is always room for local volunteer help. We intend to make it every fortnight at least to give a bit of ourselves to these fine folk, and would suggest as this festive season approaches that many will call at the Home.

You may be surprised to find that there are some very lovely and useful articles that will make fine presents, and will take with them some of the personal touch of the one who put them together.

On my visits I often find an empty place, as one of these pioneers have passed on. A school-mate of mine, while a bit younger, was in the Home for some months and passed on. Mr. Allan Hewitt, also well known to me, died this year. Thus over the years "one generation passes, another cometh, and there comes to being new faces, new ideas, different views". Yet this is not "man's world" as often spoken of; it is still "God's world". May we reverence and keep our memory green of those fine pioneer folk.

Peace be with you!

Notice to Creditors AND OTHERS

In the Estate of
OSCAR
FERDINAND SCHRADER,
Deceased.

All creditors and others having claims against the Estate of Oscar Ferdinand Schrader, late of the Township of Dysart, in the Provisional County of Haliburton, who died on the 8th day of November, 1971, are required to file the particulars of such claims with the undersigned solicitor for the said Estate on or before the 7th day of January, 1972.

AND TAKE NOTICE THAT after the last date named, the assets of the said Estate will be distributed among the persons entitled thereto, having regard only to the claims of which the solicitor shall then have notice.

DATED at Haliburton, Ontario, this 9th day of December, 1971.

Edward J. Gardiner, B.A., LL.B.,
Barrister and Solicitor,
P.O. Box 186,
Haliburton, Ontario.

'Love at First Bite'

It was "love at first bite" when Canadian recording star Anne Murray met Snowball and Whitey — the pair of six-months-old oxen at Black Creek Pioneer Village — during some location shooting one of Miss Murray's specials for television, "Anne Again", which was shown on November 8 on the C.B.C. network. Black Creek was used as background for Miss Murray's version of "Cotton Jenny", a Gordon Lightfoot song which she did during the show. Miss Murray was making friends with the young oxen when Snowball decided the poncho Anne was wearing looked too good to resist and took a bite. Jack Cowan of Woodbridge, the livestock man at Black Creek, quickly rescued the edge of Miss Murray's poncho before any damage was done.

Jack Cowan is the son of Mrs. Vera E. Cowan of Minden and the late William Cowan of Maple Lake.
